## **Resurfacing on IL 19 between Bartlett Road and Wise Road**

**CHICAGO** – The Illinois Department of Transportation (IDOT) announced that daily lane closures will take place on Irving Park Road (Illinois 19) between Bartlett Road and Wise Road, in Schaumburg, Hanover Park and Streamwood, for a resurfacing project, beginning, weather permitting, Monday, May 8.

In order to complete the work, daytime lane closures will be necessary on Irving Park Road from Bartlett Road to Wise Road when construction activities are taking place. Temporary sidewalk closures will be required in order to reconstruct ramps at various locations along Irving Park Road.

The scope of the project consists of resurfacing, pavement patching, shoulder reconstruction and drainage improvements. The overall project will enhance safety for pedestrians by updating sidewalk ramps to meet Americans with Disabilities Act (ADA) requirements.

The project is expected to be completed in Fall 2017.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
